

GUIDELINE (maximum 20 pages)

RESEARCH PLAN

DOCTORAL DEGREE “ARCHITECTURAL TECHNOLOGY, BUILDING CONSTRUCTION AND URBANISM”

UNIVERSITAT POLITÈCNICA DE CATALUNYA

TITLE

PhD STUDENT NAME

SUPERVISOR

COURSE AND DATE

1. DELIMITATION OF THE SCOPE OF THE STUDY

2. JUSTIFICATION

Justify the opportunity, originality and usefulness of the research.

3. HYPOTHESES AND OBJECTIVES

Describe the previous hypotheses and the general and specific objectives to be achieved.

4. STATE OF THE ART

Make a brief state of the art with references to books, journals, websites, patents, regulations, etc.

5. METHODOLOGY

Describe the proposed methodology, justifying its suitability.

6. WORK PLAN AND TIMETABLE

Describe the phases of the work and the tasks to be carried out. Present a time plan (chronogram).

7. VIABILITY

Indicate the factors that support the viability of the thesis (having a pre-doctoral grant, participating in a funded research project, having access to the necessary equipment and resources, ...).

8. DISSEMINATION PLAN

Explain the actions planned to disseminate the results of the research: presentations at conferences, publications in journals, etc.

9. BIBLIOGRAPHY
